Tribute

God looked around his garden- And found an empty place,
He then looked down upon the earth- And saw your tired face.
He put his arms around you -And lifted you to rest.
God's garden must be beautiful -He always takes the best.
He knew that you were suffering -He knew you were in pain.
He knew that you would never – Get well on earth again.
He saw the road was getting rough – And the hills were hard to climb.
So he closed your weary eyelids – And whispered, 'Peace be thine'.
It broke our hearts to lose you – But you didn't go alone,
For part of us went with you – The day God called you home.

MORE LOVING TRIBUTES

Dear Grandma,

I really appreciate everything you did for me when I was younger. I'm going to miss you so much. Tell everybody in heaven that I love and miss them. It's not going to be the same without you. You're gone but never forgotten and I love you so much.

Grandma you are my everything. And this all just feels unreal. You were there all my life, and now that you are gone, I don't know how to feel. I miss you already, But I know you're watching over me. I know you were ready,

But I just didn't want you to leave me. Grandma, I love you And I know you love me too. Grandma I miss you, And I hope to see you soon.

Love Kenjiya M.
