

## ACKNOWLEDGEMENT

Realizing that each tomorrow is not ours to understand and knowing that God never wastes our pain, for every loss He sends to us is followed by rich gains. Today in our loss, our hurt and our pain, we recognize our gains in you our friends and loved ones, for flowers, your cards, your calls, your whispered prayers and every deed of kindness have been a source of strength and comfort.

## **WHEN TOMORROW STARTS WITHOUT ME**

When tomorrow starts without me and I'm not here to see,  
If the sun should rise and find your eyes, all filled with tears for me.  
I wish you wouldn't cry, the way you did today  
While thinking of the many things, we did not get to say.

I know how much you love me, as much as I love you,  
Each time that you think of me, I know you will miss me too.  
When tomorrow starts without me, please try to understand,  
That an angel came and called my name, and took me by the hand.

And said my place was ready, in heaven far above,  
And that I'd have to leave behind, all those I dearly love.  
So when tomorrow starts without me, don't think we're far apart,  
For every time you think of me, I'm right here in your heart.
