Kyla and Keilan

Two little hands, two little feet,
A tiny boy and girl so soft and sweet.
They came to earth in the usual way,
But life was short, God called them away.

Two little feet, too little time,
Two little hands that I held in mine.
Never to run and never to play
Or to be curious little twins in every way.

Two little hands, two little feet,
Ever so loved and ever so sweet.
Beyond the clouds, beyond the sun
Those little hands and feet are having heavenly fun.
