~MISS ME - BUT LET ME GO~

When I come to the end of the road and the sun has set for me. I want no rites in a gloom-filled room. Why cry for a soul set free? Miss me a little--but not too long and not with your head bowed low. Remember the love that we once shared miss me--but let me go. For this is a journey that we all must take and each must go alone. It's all a part of the Master's plan. A step on the road to home. When you are lonely and sick of heart. Go to the family we know. Miss Me - But Let me Go!
