ACKNOWLEDGEMENT

*We feel so sad when those we love
Are touched by death's dark hand,
But it would ease our sorrow,
If we could but understand.*

The family of Shavalesa Quinvette Cragwall would like to thank everyone for any and all acts of kindness shown us during this time of sadness, sorrow and separation. The phone calls, visits and most of all the love and prayers will give us strength as we process this change in our lives. May God bless each of you.

HER LIFE *Remembered*

If you remember anything of me after I leave this world, remember that I loved even when I was unwanted. Remember that I helped others when I was helpless, that I provided when I had nothing. When my body is gone remember my heart.

WHEN TOMORROW STARTS

When tomorrow starts without me and I'm not here to see,
I wish so much you wouldn't cry, the way you did today.
Perhaps you aren't ready to say good-bye....
While you think of many things we didn't get to say, so have I.
For one thing, I'd have told you not to worry about me.
I know how much you love me as much as I love you.
I know that you'll miss me, each time that you think of me too.
As I am with the Lord now, for I am so happy now.
I've asked the Lord to ease the hurt & comfort you somehow.
It's hard at the beginning, but I know you'll make it through.
When tomorrow starts without me, don't think we're far apart,
For every time you think of me, I'm right there in your heart.

Love Mom

A SISTER'S CRY

I'll never understand why you went so soon. I failed to see the clues, you gained your wings way too fast. I never thought my heartbeat would pass. I know you're watching over me now, I have no choice but to make you proud, Days are going to get rougher, not seeing your beautiful smile; How could you do this to me. I'm stuck on this earth hurting and alone now. I know better days are coming, but this here is stunning,
Help me understand. - I Love you, Stinky

THE BROKEN CHAIN

We didn't know that morning God was going to call your name.
In life we loved you dearly, in death we do the same.
It broke our hearts to lose you a part of us went with you.
You left precious memories, your love is our guide.
Maybe not visible but we know you're by our side,
No matter the circumstance we know you would ride
our trio chain is broken and nothing seems the same.
But as God calls us one by one the chain will link again,
When this wicked life is done until then we got your only son forever and always.

Love Cici and Kenn
