

UNTIL WE MEET AGAIN

*Those special memories of you will always bring a smile.
If only I could have you back for just a little while.
Then we could sit and talk again, just like we used to do.
You always meant so very much and always will too.
The fact that you're no longer here will always cause me pain,
But you're forever in my heart until we meet again.*

REMEMBER ONLY MY BEST

When I come to the end of my journey, and I travel my last weary mile
Just forget if you can, that I ever frowned, and remember only the smile.
Forget unkind words I have spoken, remember some good I have done,
Forget that I ever had heartache, and remember I've had loads of fun.

Forget that I've stumbled and blundered, and sometimes fell by the way;
Remember I have fought some hard battles, and won, ere the close of the day.
Then forget to grieve for my going, I would not have you sad for a day;
But in spring just gather some flowers, and remember the place where I lay.

And come in the shade of evening, when the sun paints the sky in the west
Stand for a few moments beside me, and **REMEMBER ONLY MY BEST.**

LIFE LESSONS

*You may have thought we didn't see,
Or that we hadn't heard,
Life lessons that you taught to us,
But we got every word.*

*Perhaps you thought we missed it all,
And that we'd grown apart,
But dad, we picked up everything,
It's written in our heart.*

*Without you dad, we wouldn't be,
The adults we are today;
You built a strong foundation
No one can take away.*

*We grew up with your values,
And we're very glad we did,
So here's to you dear daddy
From your forever loving kids.*

*P.S. Today, Jesus as you are listening in your home above,
would you go and find our dad and give him all my love.*
