

“Crossing Over”

Oh please don't feel guilty, it was just my time to go,
I see you're still feeling sad, and tears just seem to flow.
We come to earth for our lifetime, for some it's not for many years,
I don't want you to keep crying, you're shedding so many tears.

I haven't really left you, even though it may seem so.
I've just gone to my heavenly home, and I'm closer than you know.
Just believe that when you say my name, I am next to you,
I know you long to see me, but there's nothing I can do.

I will still send you messages, and hope you'll understand,
That when your time comes to **“CROSS OVER”**,
I'll be there to take your hand.

WEEP NOT FOR ME

Weep not for me though I have gone,
Into that gentle night,
Grieve if you will, but not for long,
Upon my soul's sweet flight.

Remember not my fight for breath,
Remember not the strife,
Please do not dwell upon my death;
BUT CELEBRATE MY LIFE.

A Letter to Our Mom

Mom,

You were the best mother, sister and/or best friend a person could ask for. Every where you went you left a mark, whether it was a smile or an unforgettable memory. You always knew how to make someone laugh even when they wanna cry so bad, Sharonda wouldn't let you. Your presence warmed everyone's heart. You also made a huge difference in other people's life, especially mine. You made me into a great mom, big sister, best friend, girlfriend, etc. Because of you, I was filled with joy even when we had nothing. I felt like your love and support was all I needed to be happy. I know you're up there looking down on us, guiding us in the right direction. I just want you to know that I love you more than life. I'll be sure to teach Ana everything you and BB taught us. I really hope to see yall soon. Kiss BB for me and save a spot for me.

LOVE,

Raziah Drew, Ana Bobble Phats & Manny

Always remember me...
