

When tomorrow starts without me and I'm not here to see...If the sun should rise and find your eyes, all filled with tears for me, I wish you wouldn't cry, the Way you did today...While thinking of the many things, we did not get to say.

I know how much you love me, as much as I love you, and each time that you think of me, I know you will miss me too. When tomorrow starts without me, please try to understand that my Savior came and called my name, and took me by the hand and said my place was ready In heaven far above And That I would have to leave behind all those I dearly love.

So When Tomorrow starts without me, don't think we're apart, for every time you think of me, I'm right here in your heart.

## ACKNOWLEDGEMENT

Perhaps you sent a lovely card, or sat quietly in a chair, perhaps you sent flowers; if so we saw it here. Perhaps you spoke the kindest words that any friend could say, perhaps you were not there at all, just thought of us today. Whatever you did to console our hearts, we thank you so much, whatever the part. May God bless each of you.

## BELIEVE IN ANGELS

I believe in angels, their presence is everywhere in the warmth of a helping hand, in the smiles that people share. Angels are at the heart of the good things people do, and when our days are troubled, their caring guides us through.
