Dear Brother

This is hard and a difficult time, as we write this we just want to say that we love you with tears in our eyes.

You had a heart of gold and a smile that would brighten up the day, but God knew your heart better when he called you home that day.

It hurts deep that you're gone and we have very heavy hearts, but us brothers will never be separated and will never be apart. We had a brotherhood that was unique and true, but it's going to be hard now because we don't have you.

We'll miss going to mama's house because we would turn back into her little boys, wrestling, joking, punching each other and just making all kinds of noise.

Mama misses you dearly and loves you forever, I promise we'll take care of each other and stick together and make it through whatever. We'll help take care of your little angels as you smile down upon them from above, we'll hold them and cherish them and surround them with love.

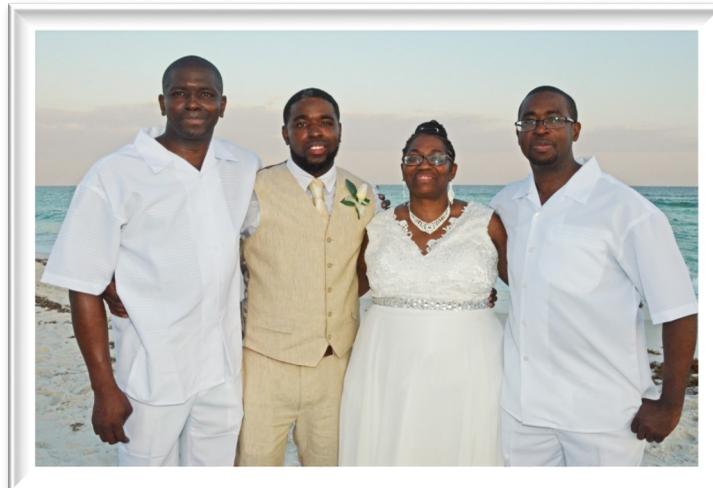

You're one of a kind and there will never be another, "Smack" we love you, you'll be forever our brother. It was three of us and that's how it's always foing to be, but go ahead our King...go get your golden wings.

Even though you're gone in our hearts we're still together,

Jarmaar, Chris and Darion...we'll be

CORDER BOYS FOREVER.

**Love you deeply,
Your brothers**

We are confident, I say, and willing rather to be absent from the body, and to be present with the Lord.

2 Corinthians 5:8

Your
Wings
Were Ready
But
Our Hearts
Were Not

A bouquet of beautiful memories, sprayed with a million tears;
I wish God could have spared you, if just a few more years.
We hold you close within our hearts, and there you will remain,
To walk with us throughout our lives, UNTIL WE MEET AGAIN.

Rest in peace dear Christopher, and know that we love you a lot;
**YOUR WINGS WERE READY FOR YOU,
BUT OUR HEARTS WERE NOT.**

Mama

DEAR DADDY,

You never looked for praises, you were never one to boast, you just went on quietly working for the ones you loved the most. Your dreams were seldom spoken, your wants were very few, and most of the time your worries, went unspoken too. A true friend we could turn to when times were good or bad; one of our greatest blessings was the man that we called dad.

*You'll always be
our dad,
DeAndre, Malia,
Briana and
Ariana*

Those special memories of you,
Will always bring a smile.
If only I could have you back,
Just for a little while.
The fact that you're no longer here
Will always cause me pain,
But you're forever in my heart,
UNTIL WE MEET AGAIN.

*Loving you always,
Dad*
