I'VE DONE MY BEST

*I've lived my life and done my best, an example tried to be,
Now I'll take that step beyond, and set my spirit free.
I'll not be far, I promise that, and hope you'll always know;
That my spirit will be close to you, wherever you may go.*

*Thank you so for loving me, you know I love you, too
That's why it's hard to say goodbye, and end this life with you.*

Allison

LOVING TRIBUTES

Dear Allison my friend,

I stayed the course with you to the end.
Tomorrow I will not look for you,
The sun will shine and the sky will be blue.
To watch over you is the promise I made,
And today my debt is fully paid.
Rest in peace my friend, I'll miss you.

Love Shirley

Dear Allison my friend,

Here is where our journey comes to an end.
On this day you are free,
And that's the way it should be.
Your last days were a struggle.
But somehow you managed to live in that bubble.
I thank you for letting me say good-bye
And I promise you, I understood why.
You were tired and saw your way out,
You took your chance without a doubt.
By you, I tried to do my best,
But today, I'll let God do the rest.

Love you, Sharon

LIFE LESSONS

*You may have thought I didn't see, or that I hadn't heard,
Life lessons that you taught to me, but I got every word.
Perhaps you thought I missed it all, and that we'd grown apart,
But dad, I picked up everything, it's written in my heart.*

*Without you dad, I wouldn't be, the man I am today;
You built a strong foundation, no one can take away.
I grew up with your values, and now your life is done,
So here's to you dear daddy, from your forever loving son.*
