## ALL IS WELL

When the sadness of the days are locked and set in time, and moving to the future is a slow and painful climb.

Time to stop the pain, time to end the flow of tears that seems to pour like rain. Don't dwell on thoughts that come to cause you pain...It's not over, we'll see each other again.

We need love to make us strong, we need to come to common ground.

As we argue rights and wrongs,  
REMEMBER ME...ALL IS WELL.

Finally I'm at peace. I had to leave; it was my time. Please believe, I'm safe with God; I dwell

REMEMBER ME...ALL IS WELL.

I was a BYRD that never knew a cage that could hold me. Why cry for a soul that's been set free. Think of all the memories, when you think of me, remember me with smiles, not tears.

As this is the day that my journey ends. Let this be the day that your story truly begins.

REMEMBER ME...ALL IS WELL.
