

# THE CARES OF THE WORLD

The cares of the world concern me no longer.  
I have completed this life. My work is done,  
the children of my heart are grown.  
My family is well on their journey  
and happy and healthy in their pursuits...

I have loved much and well. To those I leave behind,  
I hope I will remain in their hearts, as they will in mine...

Thank you for taking such good care of me  
And all of you who have been my friends,  
thank you for teaching me about life  
and about love.

I now go in peace and may blessings  
be upon each of you.

# MAY I GO NOW

Johnny Hill

January 14, 1943 - June 25, 2021

*May I go now? The time is never right?  
May I say goodbye to pain filled days and endless lonely nights?  
I lived my life and done my best, an example I've tried to be.  
So can I take that step beyond and set my spirit free?*

*I didn't want to go at first, I fought with all my might.  
But something seems to draw me now to that warm and loving light.  
I have to go, I really do, it was difficult to stay.  
But I tried as best I could to live just one more day.*

*To give you time to care for me and share your love and fears.  
I know you're sad and are afraid, because I saw your tears.  
I'll not be far, I promise that, and I hope you'll always know.  
That my spirit will be close to you where ever you may go.*

*Thank you so much for loving me and know that I love you too.  
That's why it's hard to say goodbye and end this life with you.  
So thanks for being there with me and letting me hear you say,  
"That you care so much for me", and you're letting me go today.*

## ACKNOWLEDGEMENT

The family wishes to express their deep appreciation to their many friends who have shown expressions of love, kindness and understanding, since the passing of our loved one. We extend a special thank you to staff at Quality Center for Rehabilitation and Healing, as well as Avalon Hospice in Lebanon for their support during his stay. May God's blessing be bestowed upon you and your loved ones.

~The Family of Mr. Johnny E. Hill~

*God saw that he was getting tired, and a cure was not to be, So He put His arms around him,  
and whispered... "Come with Me." With tearful eyes we watched him suffer and saw him fade  
away. Although we loved him dearly, we could not make him stay. A golden heart stopped beat-  
ing, hardworking hands now rest; God broke our hearts to prove to us, He only takes the best.*
