

# "I Will See You Later"

These words, "I will see you later", was taught to my mother by her father, Reverend Grover Sullivan. He taught her to never say, 'Goodbye', but to say, I will see you later. Mama told me to never say "Goodbye", but to say, "I will see you later". So I would always say to mama, "I love you and I will see you later". I just didn't know on the other day when I said, "I love you and I will see you later", that later would be when we meet again in the clouds. Mama, "I love you" and "I will see you later".

# PRECIOUS MEMORIES

*And ye therefore have sorrow: but I will see you again, and your heart shall rejoice, and your joy no man taketh from you.*

**-John 16:22**

**GONE... BUT NEVER FORGOTTEN**

*<sup>16</sup>For the Lord himself shall descend from heaven with a shout, with the voice of the archangel, and with the trump of God: and the dead in Christ shall rise first: <sup>17</sup>Then we which are alive and remain shall be caught up together with them in the clouds, to meet the Lord in the air: and so shall we ever be with the Lord. - 1 Thessalonians 4:16-17*

# A VISIT FROM AN ANGEL

**Rhoda:** Charlene, I wish you could have seen him.

**Charlene:** Who Mama?

**Rhoda:** The man dressed in white. If you had seen him, you would have shouted.

*Mama gave the conversation between her and the angel...*

**Angel:** Do you have any sin in your life?

**Rhoda:** No. The things I used to do, I don't do anymore.

**Angel:** Keep it that way because I'm coming back to get you.

**Rhoda:** When?

**Angel:** I'm coming soon.

**Rhoda:** Can I go now?

**Angel:** No, not now but it will be soon, I'll be back to get you.

The angel returned on  
**April 17, 2022**  
and took our mother Home.

*<sup>7</sup>I have fought a good fight, I have finished my course, I have kept the faith: <sup>8</sup>Henceforth there is laid up for me a crown of righteousness, which the Lord, the righteous judge, shall give me at that day: and not to me only, but unto all them also that love his appearing.*

# *My Dear Family and Friends*

---

*Death is nothing at all as you may think.*

*I am not gone, I have only slipped away into the next room. Everything remains as it was. I am I, and you are you and the old life that we lived so fondly together is untouched, unchanged. Whatever we were to each other, that we still are.*

*Call me by the old familiar name, Rhoda. Speak of me in the easy way which you always used. Put no difference into your tone. Wear no forced air of solemnity or sorrow. Laugh as we always laughed at the little jokes that we enjoyed together. Play, smile, think of me, pray for me. Let my name be ever the household word that it always was. Let it be spoken without an effort, without a shadow upon it.*

*Why should I be out of mind because I am out of sight? I am but waiting for you, for an interval, somewhere very near, just round the corner. All is well. Nothing is hurt; nothing is lost. One brief moment and all will be as it was before. How we shall laugh at the trouble of parting when we meet again!*

*Lovingly, Rhoda*
