Missing You Always

You never said I'm leaving, you never said goodbye
You were gone before we knew it, and only God knows why

A million times I needed you, a million times I cried
If love alone could have saved you, you never would have died

In life I loved you dearly, in death I love you still
in my heart I hold a place that only you can fill

It broke my heart to lose you, but you didn't go alone
As part of me went with you, the day God took you home
