IN LOVING MEMORY

WE LOVE YOU LYNDA

God called your name so gently, that only you could hear,
No one heard the footsteps of the angel drawing near...
Softly from the shadows, there came a gentle call,
You closed your eyes and went to sleep and quietly left us all.

Recessional

As I sit in Heaven and watch you on today,
I try and let you know the signs, I never went away.
I hear you when you're laughing, and I watch you as you sleep,
I even place my arms around you to calm you when you weep.
I see you wish the days away, begging to have me home,
So I try to send you signs, so you know you're not alone.
Don't feel guilty that you have life, Life that was denied to me,
Heaven is truly beautiful, just you wait and see!
So live your life, laugh again, enjoy yourself, be free,
Then I'll know with each breath you take,
You'll be taking one for me.
