

...that you make me laugh.

...that I can always count on you.

...that I am the only woman in the world you see.

...that you have given life to the dreams that I gave up on a long time ago.

...that you are my best friend and partner in everything.

I promise never to forget the feeling of time standing still when I looked into your eyes the first time and to carry that feeling with me when we are apart.

I promise to hold your heart close until mine stops beating.

JASON'S WEDDING VOWS TO LORI:

Lori,

Since the day I met you when I looked in your eyes that there was something different about you that I couldn't quite figure out. It didn't take me long to realize that what was standing in front of me, staring back into my eyes, was nothing short of the reassurance that there is someone out there for everyone. Unfortunately everyone does not find this person, but I am positive of the fact that I had. There is no doubt in my mind that we were made for each other. But most importantly, we share a love together that is unlike anything I have ever
