

"But now he is dead, wherefore should I fast? Can I bring him back again? I shall go to him, but he shall not return to me."

God knows how much we need them,  
And so the angels but few,  
To make the land of heaven  
More beautiful to view.  
Giving this is difficult  
Still somehow we must try,  
The saddest word mankind knows  
Will always be good-bye.  
So when a little child departs,  
We who are left behind,  
Must realize God loves children,  
And angels are hard to find.

Why God Takes Children

Letter from big brother:  
My first baby brother, I will  
always love you. The first time I  
held you I didn't want to let you  
go. For what reason only God tru-  
ly knows. Love you little brother  
in peace you will sleep. Miss you.  
Love mommy and me.

My little king!!! The love I have  
for you is unconditional. You stole  
my heart with one kick. But you  
changed my life with your first cry.  
I was told never to question why.  
So I closed my mouth and just  
cried. You will always hold a place  
in my heart. Mommy will miss you  
my king...fly high!
