A Loving Tribute to Pelley

Life's Reflections

Service of Memory

Forever In Our Hearts

*Don't Tell Me
Please don't tell me
you know how I feel,
Unless you have lost your child too.*

*Please don't tell me
my broken heart will heal,
Because that is just not true.*

*Please don't tell me
my son is in a better place,
Though it is true,
I want him here with me.*

*Don't tell me someday
I'll hear his voice, see his face,
Beyond today I cannot see.*

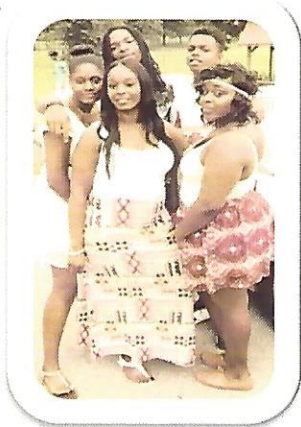

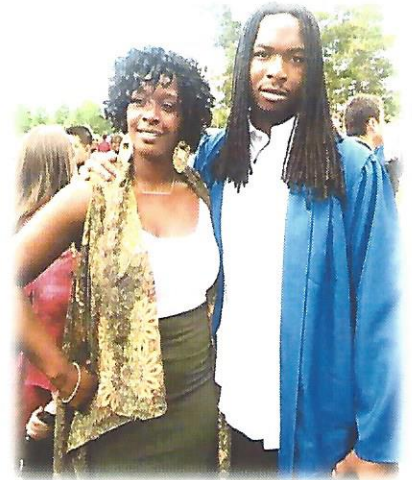

*Don't tell me it is time to move on,
Because I cannot.*

*Don't tell me to face the fact he is gone,
Because denial is something I can't stop.
Don't tell me to be thankful for the time I had,
Because I wanted more.*

*Don't tell me when I am my old self you will be glad,
I'll never be as I was before.*

*What you can tell me is you will be here for me,
That you will listen when I talk of my child.
You can share with me my precious memories,
You can even cry with me for a while.*

*And please don't hesitate to say his name,
Because it is something I long to hear everyday.
Friend please realize that I can never be the same,
But if you stand by me, Pray that God is near.*

To My Da-Da

I'm much too young to really know what's going on. I'm only a baby, but one day I'll be a little girl. I will begin to wonder where my father is. My heart will have an empty spot, but don't worry, I'll have my Mommy, my Nana's, my Big Mama and all three of my Papa's to fill that empty spot. It will be a joy to know that I was in your heart and your one and only. I know they will teach me about you. I will Love you forever even though you had to leave me so soon. Da-Da, I'm going to be alright love. you, Your baby girl. Sha'Mari Evans

Remembering Pelley

On April 20, 2017, God gave me a call and said,
"He needed me, so he sent an angel to get me."

Damelvian (Pelley) Evans was born on June 25, 1997.
Sorry I had to leave you all so very soon.

My father in Heaven needed an angel, so he came and got me. I'm not alone, I'm with my grandma Big Mary, my grandfather Terry Whitley is here, Uncle Derrick Logue whose looking after me for now, and just know my cuz Chris Evans is with me too. I know I left a lot behind, I will see you all again. What a time we will have in this place we call heaven.

To all I leave behind I leave a word be ready cause God will call again.

I leave my wonderful loving and caring parents,
my mothers, Laterra Logue and Kendra Evans
my fathers, Melvin Evans and Alex Oduro.
I leave my one and only name sake to carry my name on,
my Precious one year old daughter, ShaMari Noel Evans.

I was blessed over the years to have plenty of brothers and sisters to run and play around with, like brothers and sisters do. I was the second born of my mother who had four of us. I'm also the second born of my father who had a total of twenty-two children, Jitterrious Lawrence, Zachiyas Logue, Billasia Garrett, Lil Melvin, Ty Melvin, Tre Melvin, Kemelviyah, Jamesia, Rayna, Ramaya, Joshua, Jordan, Kendall, Melviana, Skye, Melody, Sasha, Lamanta, Kyla McKenzie, Kennedy, Kamevan, Kingston, Davantae.

I leave a loving grandmother who I called Nanny, her given name is Bettie Ruth Logue. She's not the only I had. I had a great grandmother Shirley Whitley Dunaway and I also had a great great Grandmother Pearl Lee Allen. Four devoted Aunts, Shawreikia Turner, Fredda Evans, Monica Hembree and Kim Maupin. Two uncles who gave me fatherly advise, Morgan Evans and Tony Evans. I leave a very special companion, friend and my baby girl's mother Shalethea Cason. My special friends, Tyrekia, Tyvarious, Tyanna, Micheal, Randy, Lafreda (Cupcake) and Danielle. I leave a host of other relatives, cousins and friends. I also leave behind my dirt bike to Dookie "Turn Up on it but don't hurt yourself."

Tribute To my good one, Damelvian,

From the day you come into the world you were a big bundle of

joy to me, a good baby. As time went on you became a little boy, one who had a curious mind, you paid attention to everything asking questions, a good boy. You were blessed to have both sides of your family to love and care for you. We never fussed over you, we shared you back and forth.

One day you soon grew into a young man, a good hearted young man, you had the most respect for me and everyone else, who knew you as well. Anytime I asked you to do anything for me, you never declined or made a fuss. As I write this tribute, all I can do is hold back the tears. Just thinking you were a good young man. I must say, I thank

God for all the precious moments we were able to have. I know God is using you because you are the good one. Even though God had took my good one, I know God didn't make a mistake when he called your name. You're in a better place for now, I'll say my farewell until we meet again. Rest in peace, my good one.

Nanny Ruthie Logue

Pelley,

Hey love it's me Auntie, writing you the first and last letter I have ever had to write you. Such a awful thing for me to have to do but also a blessing in having to do. Man you know Auntie going through it but it's fair cause one day I got to go too. I love you just as well as I know you love me too. Can't say I love you more because we know what it is with me and you. You never made a mistake to me and even though we're having to say goodbye to you. It's still not a mistake. I love you, Lil Dude. It's going to be very hard living without you, yeah I know Auntie "I am Kool just do what it do," I'm gonna make it do what it do. Rest easy baby I got your mother, that's my little sister, so we gonna pull through. But no lies we will forever be missing you. Pelley, I wish I was here cooking for you. Auntie love you baby my lil big dude. When I get there be at the gates don't make me run all over heaven looking for you. Love Auntie Wimp
