“ I will no longer have anybody to argue with when I go to my Daddy's house. Whenever Timmy was at my Dad's house and I showed up, he would say "Lisa, you are messing up me and Ellis' (he would say Ellic) bonding time" and then we would fuss for a few minutes and just crack up. He totally enjoyed himself wherever he was at and always made me laugh when he was around telling of his "life experiences". If only we could all have that kind of attitude about whatever life throws at us - Timmy will be missed.

“ My life was never the same after you came into it and it will never be the same since you are gone. I will forever love and miss you. My heart will ache until I see you again. R.I.P. You may be gone from our lives but never from our hearts. I will always keep your memory alive because there will never be another like you on this earth. God took you home because he wanted you to be with your mom and dad because he knew how much that you missed them. I love you Timmy!!!

“ I'll never forget that day you were at the house and had that hot sauce in your pocket for whatever reason. Guess it's a good thing you did, cause we were out and you and daddy wouldn't have ate those chitterlings without it. It was never a dull moment when you were around. Watch over my Daddy, that was your buddy. Rest Easy TimmaC from Tennessee. Everything I love is killing me!!

“ *My Nephew, Timmisee, will be greatly missed by all that knew him. He is known by many names, but the name the family normally called him was "that nut". Timmy enjoyed life to the fullest and no one was a stranger around him. Wherever he was there would be plenty of laughter. I love this nut and will forever miss him.*

Ms. Jackie...Timmy talked about you all the time and said many of times of the love that you showed him. He had much respect for you and your husband and he was proud to introduce me to you both. He loved you very much. I agree that he will be missed very much. My prayers are with you and all of the family. No matter what people may think I loved him and he loved me and we both knew that. Apart of my life is gone without him in it.
