“ Man where do I begin? I spent countless days and nights sitting with Ma Alice just discussing everything from family to church to her give me the best advice. Ma Alice was beautiful inside and out and we love her so much. She was just another mom to me. I could talk to her about anything for sure. God know that she would sit and sing with me. She loves my children and just a beautiful soul. I love her so much. Just keep her family in your prayers.
