My Sis,

A limb has fallen from the family tree. I hear a voice that whispers, "Grieve not for me" Remember the best times, the laughter, the songs. The good times I lived while I was strong. Continue my heritage; I'm counting on you. Keep on smiling; the sun will shine through. My mind is at ease; my soul is at rest. I remember all -- how I was truly blessed. Continue traditions, no matter how small. Go on with your lives, don't stare at the wall. I miss you all dearly, so keep up your chin until that fine day we're together again.

*We love you and will always be here for you!!!
