“ *Oh how I loved Ms. Annie. I just learned from Diantha of HBV that she went to Heaven. She was an awesome volunteer for HBV and she regularly visited and assisted one of my neighbors. She knew my family very well and she would share her memories of them. She will be missed but I know I'll see her again singing with Jesus beside the river!!! Phils.4*

Ms. Annie, that's what I called you. From childhood to adulthood you were a second mother, somewhat a friend, we (I) knew the difference. Angela, we are here now and always to support and be with you and you know who we are. God will comfort, strengthen and keep you always. You're continually in my prayers. Love you as my sister always.
