

Mr. Anthony Luciano Morfeld

January 1, 1971 - November 6, 2022

Kingman, Arizona 51

His remains will be conveyed back to Kingman, Arizona for services at a later date.

Anthony Luciano Morfeld, beloved husband, brother, and friend of many, passed away unexpectedly on November 6, 2022 in Lebanon, Tennessee. He was only 51 years old. The family is distraught and shocked by his death. He will be deeply missed by family, friends, and many colleagues.

Tony was born January 1, 1971, in Mountain View, California. He became interested in technology in the early 80's, building computers with his friend John and using the Internet before most people knew about it. He was employed by several tech companies over the last 30 years, often moving with the same group of teammates. For the past 15 years Tony worked for Nvidia, enjoying the diverse projects and challenges the job required. Co-workers and wonderful friends Hugo and Rob were always there to support him in any way. Tony was a very genuine, fun-loving man. He enjoyed photography, guns, good food, fast cars, loud music (mostly punk and metal), drinking whiskey, and high-rolling at the

casinos – not

necessarily in that order. He was loyal to those within his circle and had a contagious smile.

Tony is preceded in death by his beautiful mother, Janet Kinsman. He is survived by his devoted

wife of 20 years, Christy Morfeld; sister Shelby and her husband Brian Sorenson; their children

Brian Jr., Justin, and Delaney; sister- and brother-in-law Allison and Kevin Blakeley; mother-in-

law Shirley Wiggins; his “fur babies” Callie, Maggie, and Tandy, and numerous amazing friends,

including Maurice, Carl, Adolf, and especially the Ahlswede and Borba families, who have been

a huge support in this devastating loss.

Tony never liked being the center of attention and per his wishes there will be no services. His ashes will be spread at a later date by his family, who welcome donations to the American Heart Association as an expression of sympathy instead of flowers.

Please keep the family in your prayers.

“ Not sure there are words to express the deep sadness I am feeling of losing my brother. Growing up it was just Tony, my mom and myself and it just feels surreal that they are both gone now. I am sure he and mom are together watching over our family and I am trying to find peace in that. I am so grateful for the time I got with him and so thankful he brought Christy into our family. I have never seen him happier than he was with her.
I will cherish the years of you living right next door and always being there if I needed you.
This loss will be felt for a long time to come. We all love you and will miss so much ❤️
