“ I met this young man week before last and he began working here at Journeys on June 6th, he was so kind and respectful he was excited about having a job here. Anthony was one of those people when you first meet them it is like you have known them forever. My heart breaks for all of his family, friends and all who knew him. I will pray for you to have peace in this very sad time.

“ I met Anthony a few years ago working in a restaurant in Nashville. We became friends immediately. We bonded over our love for sports particularly college basketball. Anthony was a caring soul and will be missed immensely. My condolences to the family. We lost a good one.
