“ This is my first time writing about my uncle, He was a great man, After he died I texted him to keep him informed on what was going on in my life I know he's better off now then when he was down here in pain and suffering, I got to talk to my uncle a few days before this nightmare became true, We talked for hours Him, me, My dad(Marvin Hackler), And my sister (Kalyla Hackler) I didn't want to even think that this was possible, My mom was in Vanderbilt in Nashvillie at the time after her car crash, It was a depressing time my uncle wasn't only my uncle, he was my best friend, the one I could talk to, Looking back on it now I'm glad I got to have that last conversation with you I never thought it would be my last though, He was the only person I wanted to talk to about my life, He helped me and my sister through being took away from my mama, Now that we've got took away from my dad it's like who do I turn to now?, I used to pray to him I didn't pray to god I didn't know anything about god My uncle was the person that helped me through all my tough times and my good ones too, I remember when i used to go over to Big Mike's house they would always tease me and be like "you still ain't got a girlfriend or Do you got a girlfriend yet" and when that stopped man it felt like I was worthless and I fell down into a deep hole of darkness, I wish nothing like this on my closest foe but i do wish that I could just hear uncle AJS' voice one more time or maybe a little more because everyone knows AJ was one of those people you can sit there and talk to for hours, Do I miss him? YES, so much more than anyone can imagine, God might've got another angel but that means we lost a very very very good man, I LOVE YOU UNCLE AJ AND KALYLA DOES TOO.

“ I worked with A. J. Kirkendoll when I worked at The Wilson County Road Commission for 10 years. A.J. always had a smile on his face. He had a good heart and always wanted to help others. He spoke about the loss of his mom, and he talked about his brother. I always tried to encourage him in all that he was doing. I have seen him sad; I have seen him happy. I am glad he is not suffering. I pray God's comfort for his family. The memories of A.J. will live in our hearts.

“ Sending my deepest condolences and love out to the Kirkendoll family on this very sad occasion. So sorry for your loss. I am very heart broken about AJ because he was one of many children in Inman Court that I love dearly like my own child. He was always sweet, so kind and had a funny sense of humor. I will keep you all in my thoughts, prayers and my heart.....”
