“ *Sending our condolences and prayers to the Randolph Family during this very difficult time . Bertha and I met in 1993 through my husband , while they were working together in Vienna , Virginia . I loved her right away . She was kind , loving , generous , smart and a wonderful friend . Her love of family was paramount , but her greatest love was her daughter , Amani . May God's love comfort and strengthen you , now and always .*

Phillip and Rathen Cummings
