“ My prayers and condolences to the family of Mrs. Johnson. I remember her so vividly as one of her students at East Elementary. Mrs. Johnson took educating us seriously and expected the best of us. If she felt you were not giving your best she would let you know in no uncertain terms. I will never forget her. God Bless.

“ Praying for the family during this difficult time. She taught at East Elementary in Watertown and she was a beautician who fixed many of the women in my family's hair. A true black entrepreneur who kept climbing.
