“ *My fondest memories are spending the night and sitting in the kitchen with Aunt Betty eating pinto beans and fresh vegetables from the garden! I also loved dressing up and going on Easter egg hunts at her church with Uncle Jimmy, when I was a young child. Her presence was always one of joy, peace, and comfort. She was the only one that ever called me "Yolanda Ann". She loved her family and others with great intensity. Her giving heart was genuine and consistent. She loved the Lord and was an example of His love. No matter how much time passed between my visits with her, she always made sure I knew I was loved. I will miss her.*
