“ I grew up just up the street from "Birdie Mae". She was always a character!! Full of life and meant every word she spoke. Loved to talk and when you ran into her you better have the time for her!! Birdie sang a song at a service back in March. She knew her time here was running short. It was a very fitting song and was reminded what a nice voice Birdie had. Simply beautiful!!!! Take your rest. There will never be another.....Birdie Mae!!
