“ My condolences go out to Ms. Majors' family. She taught my physical education classes at MCHS when it was grades 7-12. I LOVED her class!!! Everything from teaching us the electric slide to Kool & the Gang's, Hollywood Swingin...bamboo poles....lummey (spelling) sticks, and the annual Volleyball Tournament between classes just to name a few. I know she touched a lot of lives during her years at Montgomery Central High School and I hope knowing this brings her family some comfort. God Bless..Kimberly Dunn Trotter, MCHS Class of '79.

“ Mrs. Majors was my PE teacher. She was also Ms. Sheahee , not sure if that is spelled correctly or not but she was one of a kind. Such a loyal teacher and friend. Heaven should gained an angel today and Montgomery Central High School lost another great teacher! Love you Mrs. Majors

“ I loved having her as my PE Teacher at MCHS; we always had fun in her class. She will be missed. She was one of my favorite teachers. She encouraged us to enjoy life and cherish the friends that we made in high school. RIP and Fly High Ms. Majors!

“ I remember typing her dissertation. She was a very strong, independent lady. A force to be reckoned with, but a very fair and caring person. She had a good sense of humor and was fun to work with! I'm so sorry that she is no longer with us. My prayers and condolences to her family.

“ *I had the honor of having Dr. Majors as my Health and PE teacher in middle school at Montgomery Central. My mom also had her years prior. She was an excellent educator that always gave her best to make sure her kids were destined to be successful after leaving her class.*

Praise God that today she is more alive than ever before because of the Grace and Salvation that comes through Jesus Christ.

“ I would like to express my sympathy to Bobbie's family. We taught middle school together for twenty years. Bobbie taught over 40 years in her long teaching career in Clarksville, TN. She was a positive influence on many young people. She valued education as was evidenced in her own achievement of graduating with a doctor's degree in education. She worked hard in her profession. She had a strong faith in God, and we never talked that she didn't mention the Holy Spirit within her. She taught bible classes at Fort Campbell for many years. She loved her family very much. She fought hard to overcome her illness, but she trusted God with His plan for her life. She was my good friend. I will miss her smile, her laugh, and the talks we had. I loved her. Molly L. Shaw
