“ Knew him in middle school — we didn’t talk much but he was always kind and cracking a smile on teachers and friends alike.

“ He was one of my former students at NEHS. He was very talented and gifted. He could capture a heart with his kindness and funny spirit within moments of meeting him. He gave me a drawing he made for me, and I have had it framed in my classroom since the week he moved away. He will always hold a special place in my heart. Till we meet again Carlos, Ms. Macias loves you!
