“ Christine was my sister in law. I will always remember that Beautiful smile that you had. You always were glad to see me. I Thank you for loving my brother Billy all the years. Now, it's time for you to rest my sister. I am truly and sincerely going to miss you, but I know that you're going to a better place and there will be no more pain, no more struggles, no more tears, everyday will be Sunday and you'll be smiling forever more.

“ To my beautiful mother. This is a very difficult time for our family, I am really lost for words right now, I keep looking at your pictures and thinking about all the good times that we shared, Mama you are our rock,. Our protection and a great mother to my sisters and I. You very tuff on me and because of that you made me strong and I am just like you. Thank you for your love and guidance , Mama you were a great dancer and a great cook and a great singer, I will miss our phone calls and our Saturdays together. I will be at the cemetery every week until the day that I die , I wish we had more time with you but God knows best. Things will never be the same for me again. I thank the Lord above foe the memories that I have of you. I will never forget Nov, 26 for as long as I live because you and daddy both left us on this day and date. Thank you for my nickname precious because that fits me well. I will continue to do what you have asked me to do and that's to keep my sisters in line, Mama you saw us take our first breath and on Nov.26.2017 we saw you take your last breath, I love you mama. Rest in Peace and we will meet again, Please save a seat for me. Love always your oldest daughter Tonia Monette Middleton Hall.
