“ I remember meeting Chris in 5th grade. Always making jokes, but also pretty serious. He was 100% authentic. Nothing fake or phony about the man. I hadn't seen or talked to him in a couple of years, so I am pretty shocked and saddened by this news. You know someone was of value, of substance, when the news of them passing affects so many people, even those who may have lost touch.

Chris, you will be missed by more than you could have ever expected. I wish I would have reached out sooner and had a good long talk and some laughs. I will see you again in the next life.

My condolences and prayers to his sons and family.
