Dearest Cynthia Mae... Your passing left us stunned. We were trying to wrap our minds around the information we had been given and then we realized we cannot put a question mark where God has put a period. In spite of the fact that so many here on earth loved you for your sweetness, and open loving heart...someone loved you more. Someone loved you more...and eased your suffering...someone loved you more and took away your pain...someone loved you more and took you home to be with others that left before you...and someone knew your time to leave us was your reward and freedom. Now you can dance and laugh and hear the Angels singing...we will miss you always...we will have you in our hearts forever...thank you darling person for sharing your time here with us...until we meet again we love you dearly Cynthia and always will...With Love, Uncle Jimmie Lee and Judy
