“ This seem so unreal, im sitting here writing in your memory book. You was a good person and you was a good uncle to my daughter. It hurt me so much to hear my daughter say she never got to say she love you. But i know you knew her heart. God has called his angel home. May you rest in peace boo.

“ Well little brother i can say time ran out on us and wishing i could  
come give you one great big ole hug and tell you I love you little  
brother. It never crossed mind that your day of rebirth and  
celebration would be called before mine. Through all the last few  
sleepless nights and days i can't think God enough for blessing your  
soul with the most comfortable bed available to any human soul.  
January 2, 2013 was a day for me to remember for the rest of my  
life about not taking life's precious time and memories for granted.  
See you on the other side bro our day reunited as brothers will  
come again. Love you Juan.
