“ I knew her I knew her smile, I knew her huge, I ate her cooking and even fell asleep in her house from time to time I held all of her babies and Loved them as much as I LOVED her, I even watched her dance a little when we were having good times. I even got to share her love for her children with the LOVE in her heart for my son Kero, and I Thank God for her every day for that Love and affection she gave to me my family and my son,I will never ever forget your Love Deloris and the talks we shared, and all that love you had in your Heart for your family . God has you now no more thinking no more worries no more running no more crying no more trying no more dying just lay back It your time to let go, as you are flying up to your heavenly FATHER.  
I LOVE YOU AND FROM MY FAMILY AND I WE LOVE AND MISS "you"!
