“ This was Dennis & I his wife, Nicole Luper in Las. Vegas the year 2011. He was always so much fun, a free spirit, my best friend. I knew without a doubt he'd always have my side, even if I was wrong he never lied to me, sugar coated anything 3ven if it hurt my feeling he always meant it with the best intentions, was always there to support me in more ways than 1. We became best friends before, well as we fell In Love. To fall in love with your best friend 1st is TRUE. Dennis you will always & forever be lived & missed everyday. RIP 2-28-18 my love 💕

“ To my best friend, I miss you more than words could ever describe. The pain I feel going over our memories in my head just rips my heart & soul into. We was in such a hurry this day & it turned out wonderful. You are wonderful. You are more amazing than anyone could really understand except of course your parents & siblings. The love you have in your heart is so strong & pure that the person that you choose to share it with is truly blessed. I thank you Dennis fir everything that you shared with me in our life together. You will always be alive & never forgotten in my heart ^ soul. Love you always & forever, your loving wife Nicole Luper forever & always 💕
