“ *Sending sincere prayers to you and the family on today. Though things may be sooo cloudy and you don't understand, still trust God. I don't understand the pain that you may be feeling, but I do know that it's okay not to be okay and on the days you want to give up ask God for that strength only he can give. Asking God to build each of you were you're torn. After the calls, texts, and social media posts come to an end, this will still be your reality. Seek God, for he will continue to carry you this I know for sure be blessed dont give up for better days has to be ahead. #Kenya💙*
