Words cannot express how I am feeling at the loss of my friend Cheese. Such a wonderful spirited person! I will miss our talks, laughs, ups, and downs (more ups)! Cheese, you are at peace now but I will surely miss you! Beverly "Bev" Bass

To the family of our friend "Cheese": Cherish the memories that Cheese left behind that's what we are going to do! We will miss seeing her when we come to Lebanon but know that God makes no mistakes. Cheese had such a "kind" nature like no one else. She's resting in the arm of our Heavenly father now who said to her "Well done, you've been faithful over a few, come on up a little higher" and we can hear her laugh and say "I'm free!"
