“ *Well its been one full year and and one month tomorrow since my little Moma departed this earth. There have been times that I thought to myself, "let me call Moma" and then realize that Moma is no longer here. I still have her phone number in my phone and even dialed it just to see if maybe her leaving me was just a bad dream. Alas but no, it is REAL. She is gone from here. With tears in my eyes, I REMEMBER MOMA. LOVE YOU GIRL, OOOOoooo and miss you so much, there are NO WORDS.*

“ To the Shannon children and other relatives.  
I Emma Tapley-Stafford want to express my sincere comfort to each of you by sharing some thoughtful moments that Aunt Ella Sue and Uncle John Henry spent with me.

1. Sis. Shannon loved everyone and would do whatever she could to console you , she and I was in an car accident served across the interstate in North Nashville, all the while she was saying Emma God got us. All went well for us.

2. Uncle John Henry tried to work on my car and he did and then I found a mechanic to undo what he had done, All went well.

3. Uncle John Henry was always looking for a job for my brother Thomas Tapley to work by his side.

This family was the Tapley adopted children whom they loved so dearly and so does his children and the feeling from myself and other Tapley siblings is mutual.

I will miss Aunt Ella Sue very much and wish I had come to Lebanon last week just as I had her on my mind.

Remember all of your mother counseling and guidance and she would tell you to stay close to God and you will be ok.

With deepest sympathy for you all.

“ *Ella Shannon will be missed by all that knew her. I could only hope to be the like her. She was one of the strongest, loving woman that I had met. She was very straight forward when giving advice and always put God out there for all of us to see. She never mixed her words and would tell you what was needed to be said. She was strong and tough and I can only pray that I can be half the woman she was. Her family and friends and God was a very important part of her life. I know she is now with John Henry and watching over us all. Dee, Anthony and Jada never question the love she had for you, even when she was being strict. She will always be in my heart.*

*With all my love to her family,*
