“ *Unc was such a great man and friend. I had the pleasure of meeting Ernest after he married my aunt and his ability to relate to me through each phase of my growth into manhood was always comforting for me. I so appreciated the time I had with him and catching up on the latest. He was a gentleman through and through, and a man's man until the end. I'm going to miss him tremendously. So Mote It Be Brother.*

“ We love Mr. Ernest and miss him so much. We have worked with Mr. Ernest on several projects and he was such a pleasure. He was always so kind and patient. He was always positive and he uplifted our whole office when he came by. We so looked forward to him coming in for meetings, because he was such an inspiration. He was our friend and we will cherish the time we had with him. God has Mr. Ernest next to Him, and Heaven is rejoicing. We will see Mr. Ernest again someday, but until then, we will remember his smile always. We are praying for his sweet wife, family and friends. John 16:22 So also you have sorrow now, but I will see you again, and your hearts will rejoice, and no one will take your joy from you.
