Ester Mae. The epitome of a loving soul with a smile and a heart that proves without a doubt, there is a God.

I love you and pray that now that your spirit is present with God that you are overwhelmed with all that Jesus has stored for you.

What an awesome woman and how blessed as family we have all been to have time with her.

“ *Such a kind, caring lady with an infectious smile and love for all whom she had an encounter with. I spent a lot of my high school years in the library, helping Ms. Esther file and place items back in correct places. She always began and ended my time with her with a "be good, do your best and love God"*

As I had the opportunity to see her just days before her unexpected passing, I told her it was my time to care for her. She smiled and told me she loved me. I will always have the best memories of her and our time together.

Rest in peace , sweet lady. Your legacy will live on and you will be missed.

“ I am deeply saddened to hear of Ms. Esther's passing. Please accept my heartfelt condolences during this difficult time. She was a remarkable woman whose kindness and love touched the lives of so many, including mine.

Ms. Esther had a beautiful way of sharing God's word, spreading joy and encouragement through her emails and thoughtful Christmas cards. Her unwavering faith and warm spirit were truly inspiring. I will always cherish the memories of her delicious caramel cake, she lovingly sent by “Jimmy”—a testament to her thoughtfulness and generosity to us who worked with him.

Her love for you all was evident, and I hope you find comfort in knowing how much she cared for each of you. May her legacy of kindness and faith continue to shine in your lives.

I also love Esther Mae; she was the best. There will never be another like her. She was a God loving woman. She always had that big smile to give you when you saw her. She loved everybody. But her babies (students) held a special place in her heart. I also was one of babies' class of 79. Worked for her in the library. She always had a kind word for you. She never got upset when you messed up something. she would help you straighten it out. I would call her, and we would talk for hours. I would do anything for her. Esther Mae you will forever live in my heart. I am going to miss you. I love you Jimmy. You were her heart. I am going to close with Love, Love,Love
