Dear Jerry it has been an honor and pleasure to be your big sister. A lot of people don't understand that because you were the oldest, but I was your oldest sister. I am so glad that I got a chance to visit you. Today is the hardest day of all to write this. I going to miss you saying Irene what up, how are you and old Joe. I am missing you so much already , but I know that GOD will get me through, because HE is my strength and peace.

With all my love Barbara Irene Berry-Collins
