“My deepest sympathy to you at this time of sorrow. Cornelia is in God's care now and what better care could we ever ask for her? Though we're going to miss the laughter and the conversations, only God knew what was best for her. Now I pray for your comfort in the days ahead, that all the memories shall comfort you always. God bless you and keep you in His tender care and love for all eternity.”

“To The Family, We are sorry to hear of the loss of your loved one. Cornelia was a very special person, I have not seen her in many years but I knew her and Charles from high school, they are now together once again...Remember, God has a purpose in our heartaches, the Savior always knows what's best; we learn so many precious lessons in every sorrow, trial, and test.

All things work together for good to those who love God. Romans 8:28
