“ I still can't believe this is real. You'll never be forgotten beautiful. I'll never forget living at your mom's off briley. Always going to the hotel next door helping ourselves to their breakfast. All the nights we sat in my basement room at mom's joking on my sister cause she stayed snitching on us or stealing everything we had. My fav memories are of us in Tracy Lawrence's video. "MY 2ND HOME". I'LL never 4 get the smile on your face when he swooped you up on stage with him. My next fab would be Loretta Lynn trip. I've got a crap load of pics, I'll be getting copies 2 your mom, a lot of Becky too. Atleast we know you're welcome taken care of job there with granny..... Love you girl!
