“ To the Seay Family, we are truly sorry to hear of your loved one's passing our prayers and condolences go out to you at this sorrowful time. Hubert was a good person and I am proud to say he was a friend of mine although we had not seen nor talk to each other in a long time. Remember there is no pain on earth that heaven can not heal. His song may have ended, but his melody will linger on in your memories. Douglas and Valleria Gaines and Family

“ To Hubert's family as a boyhood friend I send by condelences. Growing up in Lebanon I remember Hubert as a person well liked. I know he was a great marble shooter because he won a lot of my marble. Hubert was also to be a person who had a caring sprit. I did not see him always on trips home but on recent trip I went by and talked with him and O.D. my cousin. I send these words of conversation and comfort for my brother-in-law Harry Harris Jr. his first cousin. God moves us to a point of center. Hubert's life and all of us he touched will I pray draw your family as well as mine to that center where we know God is there for each of us. Know that you are in our prayers. God Bless.

“ I just heard about Hubert's passing. I will always remember him as a happy and caring person who taught me one of the most important safety lessons I ever learned during our time at Precision. I am so sorry for the loss his family has experienced.
RIP my friend.
