“ Rest in heaven my sweet friend. You quickly became a big sister to me, always there to listen and give advice without judgement. I'll truly miss our talks and your smile. Heaven gained a beautiful angel. Love you always

“ Dear Sister In Heaven

I sit her and ponder how very much, I'd like to talk with u today, there are so many things that we didn't get to say. I know how much u love and care for me, and how much I love and care for u, and each time I think of u, I know you"LL miss me too. An angel came and took u by the hand, and said your place was ready in heaven, far above... And u had to leave behind all those u dearly loved. U had so much to live for and so much to do.....It still seems impossible that God was taking u, and though your life on Earth is past, in Heaven it start anew. You"LL live for all eternity, just as God has promised you. And though you've walked through Heaven Gate we're never far apart. For Everytime I think of u, you're right here deep within my heart.

This is dictate to u my most precious and beautiful sister Mrs Ida Marie Turner

“ To the my very best friend, teacher, mentor, and sister. Oh my God my heart is broken, because I never thought u would be leaving me this soon. U have been a true inspiration to me. I am so honored and blessed God brought u into my life. Where do I begin to say Thank U for beening there for me in the roughest and hardest times in my life. Also for teaching me to be the best in all I do in the world. And to never give up no matter what. It has been my honor to work by your side and a complete joy to be called your friend and sister. My heart aches knowing I will never your beautiful face again. But u are with me deep inside my heart. I Love U Me forever and Always:

“ Marie was always laughing and always smiling. We got along so well because we were both loud and liked to have fun at work, when we could get away with it. She talked about her family all the time and you just knew that they were so important to her. When I decided to leave my job at Walmart and go back into the military, Marie gave me a big hug and told me she would miss my crazy and loud self. Nothing phased her. She always played it cool, calm, and collected, but ooh wee, if you happened to make her mad.... ya better watch out! Marie, we will you and your laughter and your presence. Rest easy in heaven, my friend.
