“ My sincere condolences to the entire Owens family. Iran was my Graduate Assistant at TSU in the HPSS Department for two years, but more over he was also a friend and a child of God.

When I needed him he was always a call away. I recall having some complications after a surgery and could not drive. I called Iran and he came and took me to the doctor. He said “Nothing but the devil”. My doctor told me if I had not come when I did I would not be here today. He made sure that I had food, helped me with my son while my husband was overseas. He was a God sent. When he was confined my son and I would go and see him. He would laugh and joke with my son and play games. He will continue to have a special place in our hearts. Gone but not forgotten. Im lighting a blue candle in honor and memory of Iran my other child.

Ms Mercer , thank you for those kind words. I realize it's been a year now, but I was just looking over his obituary and saw your wonderful words of comfort to me as his mother. Thank you and I pray you and your son are doing well.

“ *Praying for the Owen family and Iran's friends. Know Iran was a wonderful young man. He rode the school bus with my late son, "Dion Boleyjack ". I only had a few pleasant opportunities to enjoy his presence. Now Heaven is rejoicing for Iran is truly home. We're so sorry for your loss, but I will always remember him and smile. Find solace in your memories and strength in the Word.*

“ Iran was a very loveable person, that really let you feel them joy bells ringing in his heart. The love he had for his grandmother was so pure big mama as he would call her. I thank God for the times that he blessed me share with them.  
Now may they both be resting in the arm of the Lord.
