Jason Lester Christ

April 11, 1972 - February 17, 2026

Jason Christ, 53, passed away from a heart attack on February 17, 2026, in Lebanon, TN. Jason was born in San Jose, California. He was raised in Willow Glen with his father, Harry Christ, and mother and step father, Deena and Kurt Meier, along with siblings Jeff Christ, Julianne Christ and Erica Meier Thompson.

Jason graduated from Willow Glen High School, class of 1990, and attended Idaho State University. He developed a love for the restaurant & bar business, which he carried into the food and beverage industry, working many years in management and sales.

In October of 2010, Jason proudly welcomed a son, Maddox Harold Christ, who immediately become the light of his life. Throughout their years together, they developed a deep bond and enjoyed traveling, tasty meals, and watching sporting events -- cheering on the SF Giants, Warriors, Sharks, "Da Bears" and many other teams. Without question, Jason's role as a father to Maddox was his most revered and cherished achievement.

Jason (aka Hoopa J) leaves behind an amazing social circle from his Willow Glen, ISU, and restaurant days. Together these friends created countless wonderful memories. Time spent with his large, extended Greek family was also very important to him. The shared traditions and celebrations shaped who he was. He delighted in being a fun-loving cousin to Katie, Nikki, Tina, Debbie, and “KnUncle Jason” to Jordan, David, Justin, Carleen and Jackson. Jason had a knack for remembering special moments from past experiences and then sharing those memories to stay connected with family and friends. He valued these relationships more than anything, and treasured them all! He will be greatly missed and remembered by many. A Celebration of Life will take place in the spring.

“ I am heartbroken.

Jason and I grew up together on Fairorchard Ave. Most of my childhood memories live right there on that street, and so many of them are tied to his family.

Deena was my second mom. When my parents traveled, I stayed with her, and she shaped me in ways I will always be grateful for. Erica was my babysitter for what felt like forever and, as an only child, the big sister I never had. Their home was my second home, which makes this loss especially personal.

When we played hide and go seek, I still laugh thinking about how, when it was my turn to hide, Jason didn't exactly sprint to come find me. I'd be tucked behind a bush or squeezed along the side of the house wondering if he had forgotten about me. Such a small memory, but one I will always hold onto.

What I remember most is basketball. We played P-I-G and H-O-R-S-E from sun up to sun down. I was not good. At all. It was never much of a challenge for him, and he had every reason to say no and do something more exciting. He never did.

Jason was the most popular boy in school. Everyone knew him. He always had people who wanted his attention. The fact that he still made time for me meant more than I can say.

In a simple, steady way, he showed me what it means to be a good friend. You show up. You make the time.

My heart aches for Deena and Kurt, Erica, Julie, Jeff, and the entire Christ family, who meant so much to me growing up. The world lost a good person far too soon.

Rest in peace, Jason. Heaven gained a great one.

“ Jason Christ was my first friend. We grew up together on the fun filled streets of FairOrchard Avenue. As kids we played YMCA Basketball and Pony League baseball together (shout out to the 0-15 Reds)! We would eat over at each other’s house in the weekends, of course we would call the other Mom to find out what they were serving to help our decision, then we would watch The Dukes of Hazzard on Friday nights. Just the good ol’ boys. I am so sad to lose Jason. I know all those who knew Hoopa are sad as well.

Fast forward to recent years, Hoopa loved to take his son Maddox to sporting events, they would make the effort to visit a Men’s Volleyball game when possible... I cherish the moments watching Hoopa heckle the other team while serving the ball, he would yell “NOONAN!” - Hoping they would serve it into the net... a few years ago at Concordia University my son was like “who was that chirping NOONAN?!”

Hoopa was up in the stands that night, and he will forever be there with all of us.

We Love You Hoopa!

“ I'm dumbfounded Hoopa, way too soon. Remember that night in Glenwood Ave, Mar was away in LV and you, Dan and I played Wi Golf till some stupid hour. Anyway, next day I went to the office and before long was in lots of pain, I put it down to over consumption and Mar said I was constipated!!! 3 hours later I was minus my appendix, some constipation Mar. You and Dan were first to visit me in the Good Sam. Rest in peace my friend, when we next meet, we'll play 18! Dave, Mar & Ellen.
