“ The Hancock family sends our sincere condolences for the loss of your loved one and our dear family friend, Joe Will. He always had a joyful spirit within him and would greet you with a friendly smile. Joe always had time for a conversation, even when you were in a hurry (LOL). That was his way of letting us know that time is precious, and we should share it with people we love and those we enjoy spending time with or in his words "people you keep company with". Joe will be missed. We pray for peace and comfort for the Spickard family.

Blessings,  
The Hancocks
